

## **GUIDED TOURS AT ECHUCA HISTORICAL SOCIETY**

If you want to make the most of your visit to the Echuca Museum or you have limited time, guided tours are ideal. Each tour is personalised and run by a trained Visitor Services Host. Your host knows all about the Museum's exhibitions and can share engaging background information with you during your tour.

Every Friday at 11.30am a one hour guided tour provides visitors with an overall impression of the Museum's exhibitions. It offers an excellent general introduction to the history of Echuca and the paddle steamer era.

Discover the joy of talking with a former riverboat captain, find out the inside story on the items on display at Echuca Historical Society Museum and Archive Centre, 1 Dickson Street Echuca 3564

Normal Museum Entry Fees apply (Adult \$5, Child \$2, Group 10+ \$4 p/p )
