### Re-Vamp of Eberle Hut

It was decided to turn the hut (circa 1914) into an exhibition of a single man's hut at the turn of the century. The project team led by John Ferris is in the process of assessing the current exhibit & other areas of the museum to see what can be used to complete the re-decorating.

At the moment we are looking for a single bed, small table & chair typical of this era.

### End of Year Get Together

17 members enjoyed a delicious luncheon at The Madison Spa Resort for our end of year get together.

A new exhibition "Upholding the Right" – 150<sup>th</sup> Anniversary of the Old Police Station and Policing in Echuca.

Opens at 2pm on 20<sup>th</sup> January with an afternoon tea. The exhibition will run until the end of March

### A Living Legend

Helen's OAM was officially recognised at Government House for her contributions and achievements to the local History of Echuca, including a major driving force in the restoration of the Port and Wharf area and her various books.

### Restoration of the Gig
