To help us cater to your syllabus/education program please inform us of any special needs or requirements.

Do you require a guide for your visit?

Yes

No

Entry to the Museum is \$2 per student. Teachers and Staff are free.

The Echuca Historical Society museum is a volunteer run museum open 7 days a week, all year round. The society was founded in 1961 to preserve the rich history of Echuca/Moama and district. Our museum and research centre contain a plethora of unique artefacts and documents relating to the pre-colonial, colonial and modern history of the town. Our large riverboat and early industry and transport collection are a must see.

Thank you for choosing to visit us.
